

WINNERS—Gary Shrigley, Dick Marion and Dick Kreutel go over scores than won each of them top billing in car check.

Three Drivers Get Perfect Scores in Car Club Checkup

Members of Torrance's Car Club Associated, sponsored by the police department, came up with a unique result after last Sunday's car-safety check on the Sears Del Amo parking lot.

Three contestants turned in perfect scores.

Gary Shrigley of the Charloters, Dick Marion of the Tyrants and Dick Kreutel of the Cardinals racked up a top tally of 564 points.

Object of the safety check, in addition to the obvious reasons, was a first elimination contest for participants in the annual Youth Safety Run between here and Sacramento.

The members' cars were checked for everything from brakes to polish, with points lost for sloppiness, even in personal appearance.

In May the drivers will compete in a special car provided by Dwight Eubank Rambler. One-tenth of a gallon of gas will be metered to each contestant, and the nine members who go farthest will be the Torrance participants in the safety run.

The event will take the drivers over a prescribed course from Azusa. In the capital city, they will be guests of Mather Air Force Base, tour the area, meet with Gov. Brown, and be greeted by legislative representatives from this county.

Sgt. Leland Mason of Torrance Air Force recruiting office has arranged for the boys to be entertained by the air base.

On April 23 and 24, Torrance Officer A. L. Jackson, club adviser, Officer Ted Bradley of the Highway Patrol, and Capt. Harold Thomas of Pasadena police will make the run to Sacramento and arrange gas, lunch and switch stops and check points.

In May another run will be made with calibrated speedometers to check mileage and time stops on the route.

The clubs viewed a film of the 1954 Mexican Road Race at its meeting Thursday night.

Anniversary Fete Set by Mothers of Twins Club

The South Bay Mothers of Twins Club will mark the organization's second anniversary April 18 at a dinner in the Tasman Sea Restaurant, 29601 S. Western Ave. Mrs. Dick White will preside.

Guest speaker will be Mrs. Jess Buick, who will speak on "Why Was I Born a Twin?" She will be introduced by Mrs. Gordon Anderson.

At a brief business session Mrs. Robert Gerns will announce the club's slate of nominees for 1960-61 offices.

The group will hold two get-acquainted teas, at the home of Mrs. Tom Prevo, April 20, and at the home of Mrs. Glenn Smith on May 1.

At a recent board meeting at the home of Mrs. Ralph Gaide, the club voted to give an Easter dinner and a week's provisions to its adopted family of nine.

Other philanthropy plans include the purchase of a loud-speaker system and a Sklar suction unit for Harbor General Hospital from the proceeds of the group's recent fashion show.

Mothers of twins are being invited to attend club meetings. Interested persons may call Mrs. Eugene Douglas at FR 6-3503.

Mosaic Classes to Be Offered at Crafts Center

Two new adult mosaic classes will begin this week at the Arts and Crafts Center of the Torrance Recreation Department, according to Erika Muhl, center director.

Sessions are scheduled for 7:30 p.m. Mondays and 9:30 a.m. Wednesdays at the center in Sea-Aire Park, 22730 Lupine Dr. Mrs. Muhl said the morning class is the first day-time adult mosaic course sponsored by the department and is expected to attract housewives interested in making mosaic items for their homes.

Each class will meet for two hours weekly through May 2 and 4.

There is a \$1 registration fee. Materials may be purchased at the center.

Bonds to Be Sold
State Treasurer Bert A. Betts today announced \$25,000,000 in school building-aid bonds will be sold April 19.

Mrs. Scott Wins in Radio Quiz

Judy Scott, 2709 Clarendon St., is richer by one Westinghouse Electric Portable Mixer.

She was awarded the prize for knowing the answer to the question-of-the-day when visited in the doorbell-ringer Quiz of radio station KBIG, Catalina.

A variety of Westinghouse appliances are awarded and announced on KBIG newscasts daily at 10:30 and 11:30 a.m.

Use classified. Call DA 5-1515.

CONTACT LENSES IDEAL FOR WATER SKIING, SKIN DIVING

Need for vision correction is no longer a "spoilsport" for water skiers and skin divers. Wearing "spectacles" is impractical and hazardous, but the new plastic contact lenses provide clear vision with complete freedom from bothersome flying spray in skiing and boating, or fogging-up behind diving masks. Contact lenses may be worn safely too, for swimming and diving without masks. More than a million Americans are wearing contact lenses in sports, at work,

and for social occasions. The thinness and lightness of modern small diameter plastic lenses offer advantages never before attainable. Application is easy, and the new lenses can be worn around the clock without discomfort or irritation. Get ALL the facts! Come in, or write for fascinating new booklet. Easy terms. DR. J. M. SOSS, Optometrist (32 years in Harbor Area) 1268 Sartori Ave., FA 8-8602. Open Friday evenings and all day Saturdays. Offices also in Wilmington.

Robert Richmond Takes Course in Germany

Specialist Five Robert L. Richmond, 28, of 19323 Pruitt Dr. recently completed the chemical, biological, and radiological course

at the Seventh Army Training Center in Grafenwohr, Germany. He received training in radioactive decontamination and in offensive and defensive use of chemical agents. His wife, Edith, is with him. He arrived overseas in July, '58.
